DENISE COTE, District Judge:

Plaintiff filed this action seeking to participate in the recovery in United States v. Budovsky, No. 13cr368 (DLC). On August 6, 2021, the Court closed this case after instructing plaintiff that the proper method to pursue his requested recovery is to file a petition for remission with the Department of Justice. On September 29, 2022, the plaintiff filed a letter asserting that the Department of Justice has not processed his claim for relief. Accordingly, it is hereby

ORDERED that the Department of Justice shall file a response to plaintiff's letter by December 9.
